## SUMMARY

To get a responsible and challenging position in a reputable firm that will allow me to put my expertise and skills to full use, as well as to expand my understanding of new technologies and trends in the IT sector.

## INTERNSHIP

### Web Developer, Marketiism Media.

Feb 2024 to May

- Customizing WordPress themes to meet the client's branding and design specifications is what theme customization entails. This entails changing the intended appearance and capabilities.
- Built and customized WordPress themes using HTML, CSS, and Javascript, ensuring user-friendly and visually appealing experience.
- Supported the implementation of design mockups by converting them into responsive themes.

## INTERNSHIP

### Radiant IT Services Pvt. Ltd. Technology, Pune

Jan 2023 to Sep 2023

- This course trip covers large and minor projects in hospital management systems and e-commerce responsive website design, respectively. Developed and maintained online applications, including adding new functionality to existing platforms.

## PROJECTS

### E-commerce website, [Vecom.in]

Technology Used: Wordpress, HTML, CSS, JavaScript.

- Developed and launched a full-fledged e-commerce website ([vecomm.in](https://vecomm.in)) using WordPress and Woocommerce for a client.
- Custom theme creation and plugin integration enabled needed capabilities, including secure payment gateways, product filtering, and advanced search options.

### Hospital Management System

Technology Used: HTML, CSS, JavaScript, and Angular

Host url- <https://hospital-814dd.web.app/Home>

- This project is an Angular Single Page Application Website used to manage hospital activities, which generally include admin login, finding doctors, applying for appointments, and viewing patient details with the hospital administration.

## TECHNICAL SKILL

- |               |                |                 |                |
|---------------|----------------|-----------------|----------------|
| • HTML5       | (Competent)    | • Oop's Concept | (Competent)    |
| • CSS3        | (Competent)    | • SQL           | (Intermediate) |
| • Bootstrapv5 | (Competent)    | • C#            | (Intermediate) |
| • Java Script | (Intermediate) | • Asp .Net      | (Intermediate) |
